1. The leader of the Royalist "underground" within the Siamese Army is Lieutenant General Luang Chit Mansin Sinat Yotharak, former Minister of Interior in the first Abhaiwong post-Coup d'Etat cabinet.
2. The Royalists are making intensive efforts to infiltrate the army and to build up an effective following within it.

Comment. See [redacted] report that Luang Sinat refused reappointment as Minister of Interior because he did not want the responsibility of handling the case of King Ananda's death. Luang Sinat is currently a member of the Constituent Assembly.)
